

Years 7, 8 & 9

CODING CLUB RETURNS

Tuesday, 14th January 2020

In Room N25 after school on Tuesdays at 3:30pm

Years 7, 8 & 9 - Please come along and bring a friend.

Computer scientists will be the rock stars of the future!

It will be great fun seeing an App you have created come to life on your smartphone!

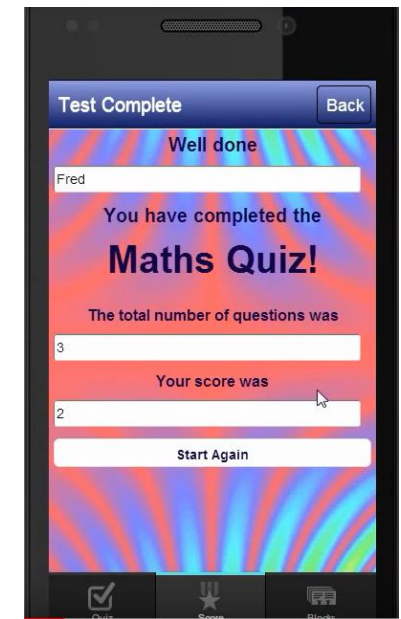

You'll learn how to code your own Quiz App.

It's all about learning how to build a quiz.

Choose between our solar system or a Maths multiple choice quiz using JavaScript.

Create a random number and check users guesses. Update score.
