

# Outside agencies offering help whilst schools are closed

## contact details

**Fresh Arts Education.** We run targeted drama, dance, music and art sessions in Primary Schools, PPA cover, Afterschool Clubs, Holiday Camps and Saturday. All of our staff are DBS checked and recruited according to safer recruitment guidelines, have child protection and first aid training and we have 10 years of experience providing activities and care for children. I have 20+ children's activity professionals who will be available when schools close.

**Active SEN** only provide staff to support children and young adults with SEN and with any associated needs, and therefore we provide large numbers of staff to non-school settings, such as councils, supported living, virtual schools, hospital schools and home tuition. We follow a careful vetting and screening process, which includes a questionnaire about if they have been out of the country and if so where. We have an in depth medical questionnaire and staff are interviewed and undergo testing to assess suitability with SEN, so we can place them in the correct SEN setting, whether as a teacher, PMLD TA, ASD TA, SEMH TA , 1-1, 2-1 etc. ***We often work directly with social work teams and keep in touch via their mobile if they are working from home.***

<p><b>Saracens Sport Foundation</b> - offering curriculum or enrichment support, During this period, the Saracens Sport Foundation is looking to continue helping schools in any way possible, whether this is supporting with staff absence or adapting our delivery in order to still offer enrichment opportunity.</p> <p>We understand that physical activity will continue to play an important part to both students and staff during this difficult time and we are conscience that schools may still want support due to staff shortages or the need for specialist coaches for students needing to attend school. Our staff have vast experience in a wide range of activities and we can adapt anything to the needs of your provision, as well as having valid DBS certificates, First Aid and coaching qualifications. We will also be offering flexibility in the cost of these sessions, and would encourage you to get in touch directly to discuss this. If you require support we want to explore every possible way to help our local community.</p>	<p>Contact: Mike Dobson 07903 872414</p>
