12th February 2021

Dear Parent,

As we approach the end of this half term I just wanted to touch base to say a huge congratulations to all of our pupils. We all recognise that these are exceptional times but the students of The Sacred Heart have also shown themselves to be exceptional. I continue to be so impressed by the overall commitment and hard work that so many of our pupils have demonstrated. I would also like to thank the parents who have provided positive feedback in recognition of the ongoing hard work of the teachers and support staff. This reminds us of the strength of our community, that we are stronger together and will emerge from this current lockdown secure in the knowledge that all of our pupils will be empowered to continue to make progress.

We await information from the government about the planned re-opening of schools and the GCSE awards this summer. As soon as we have details I will write with further information about our plans. In the meantime, it is vital that this good work continues. The engagement with learning reports provide an overview for you and your daughter. Staff continue to make contact if there are specific worries about non- participation in learning. If you do receive such a call it is in the spirit of keeping you informed so we can all work together to support your daughter. If there are any concerns that you have then please contact the school in the usual way.

February half term does provide the opportunity for all pupils to review their work and ensure they are up to date. However, it is so important that they also have a break and an escape from screen time. The wellbeing newsletters for pupils have lots of suggestions of things to do, including physical activities that they can follow and there is also the 'Pancake Day' competition that has been shared with your daughter. Lessons will resume on the 22nd February.

Finally, in the hope that we will be able to plan visits to family and even holidays the term dates for the next academic year are on the school website.

I hope that all continue to be safe and well at this time.

Very best wishes,

Geraldine A Higgins
Executive Headteacher
