23rd February 2021

Dear Parent,

I hope you and your family are all well. I would ask that you continue to keep in your thoughts and prayers all those who are affected by loss at this time. In recent days we have heard of yet another close family member of the school community who has lost their battle with Covid which reminds us of the necessity to continue to work together to ensure all can remain safe. Our love, thoughts and prayers are extended to this pupil and her family.

Following on from the announcements yesterday I wanted to confirm that:

Schools will reopen from the 8th March. The DFE have been in contact with schools to say that for the secondary sector this is to be a phased return to enable Covid testing of pupils to take place. Further guidance will be issued to schools later this week from the DFE.

I will write to you again in the early part of next week at the latest with details of the date for your daughter's return and the process for testing once we have received the full guidance and finalised our plans.

In the meantime, pupils are to continue with their excellent work with their remote learning. We are so looking forward to welcoming them back.

Thank you for your ongoing support.

Yours sincerely,

Geraldine A.Higgins
Executive Headteacher
