26th March 2021

Dear Parent,

As this term draws to a conclusion may I wish you and your family a very happy and holy Easter time. We will be holding a special liturgy for all pupils to mark this special time in the Lenten season of Holy Thursday and to prepare for the services within your own Parish over the Easter Triduum. To allow for this we will be running an amended timetable next Thursday, with school finishing at 12:00 for pupils in Year 7,8 and 9 and 12.30 for pupils in year 10 and 11. As a broader community of schools across the Diocese I would also like to draw your attention to a special mass that all are invited to participate in via the link <https://youtu.be/fkxXind5DY>

On this day we will be holding a non-uniform day at the request of the pupils. All monies raised will be for the charities that each year group have selected. It is wonderful to see that our pupils have raised concern that they have not been able to raise as much this year due to covid and are keen to do this as part of a positive act in Lent. Money can be paid via parent pay. However, we fully understand that family finances may be pressured at this time.

We look forward to welcoming your daughter back on Monday, 19th April for the busy summer term ahead. To ensure that all can return safely and remain at school please ensure that your daughter has completed her home covid test on the Sunday evening. This is essential as some of the lockdown measures begin to change. If this indicates a positive she should not come to school until she has followed up with a PCR test and received the results.

We look forward to celebrating the Easter message of hope, love and the fullness of life which has never been more relevant in our lives.

Yours sincerely,

Geraldine A. Higgins
Executive Headteacher
