Dear Student,

Thank you for accepting your place at The Sacred Heart Language College, you and your family have made an excellent choice for your future.

We would like to say on behalf of all the staff and students here at The Sacred Heart Language College that we are looking forward to you joining us in September and that with good communication over the coming weeks you will feel prepared to begin the next part of your education with us in September.

As you enjoy your last few weeks of primary school, you may feel a sense of uncertainty; we are determined that you will feel the warmth of our Welcome at The Sacred Heart Language College and are already planning your welcome Liturgy for your first day.

The school's website is a brilliant source of information for you and your parents in the coming weeks as it contains many documents that you can read to become more familiar with the school community, including the parents' handbook, interactive map and transition video. All of these can be found in the Transition area of our website.

You will also receive a Transition booklet and key documents which should be signed and returned on your first day – **Thursday 2nd September**. On your first day you will arrive at 9:30am to the main reception and we will celebrate Mass for you and your parents.

You may have questions that you would like to ask; please do visit our transition area of the school website to help you.

We hope you can feel the warmth and commitment that we have for you shining through this letter, words can never replace a smile that you would experience on your visit to our school but I promise you, you are in safe hands and we are excited at the prospect of getting to know you better over the coming years.

With every good wish,

Mrs. J. Flynn & Ms. E. Clep
Directors of Study for Year 7
