Dear Parent/Carer,

Coding Club for Years 7, 8 and 9.

I am delighted to inform you that Coding Club will be commencing on 9th November. It will take place each Tuesday after school from 3.30-4.15pm.

Should your daughter express an interest in attending Coding Club, she will be most welcome. The club will run each week and year 10 Computer Science pupils will be assisting and helping with activities.

If you would like your daughter to attend Coding Club, please may I advise, that she will need to attend regularly, especially as I hope for them to be able to create a program which will be built upon each week. Hopefully, this will culminate with an App that can be used on any smartphone.

Please complete/sign the confirmation slip below if you wish your daughter to attend.

Sincerely,

Mr. A. Lee

Head of Computing
