

## **Curriculum statement – P.E.**

**‘Confident in God’s love for us, we commit ourselves to His service’**

In the PE department, we aim to provide a broad and balanced curriculum, which is progressive, stimulating and challenging, thereby influencing long-term health, positive attitudes and behaviour. The pupils are helped to realise their full potential, both physically and socially with an emphasis on teamwork, resilience, and development of character. The extra-curricular programme we offer further strengthens the bonds between school and home. Our clear purpose is to equip pupils with the skills needed for the rest of their life.
