Dear Parent/ Guardian,

Thank you for accepting the place allocated to your daughter at The Sacred Heart Language College; you and your family have made an excellent choice for her future.

We are delighted to welcome you as part of our school community. This time of year, we would normally see all of our new year 7 pupils joining us for a day and their parents joining us in the evening to ensure that all are confident and happy with the year ahead. Obviously, this year has been a little different due to COVID 19 and the restrictions placed on schools, and as result our usual induction day will not take place.

Instead, we would like to direct you to the transition area of our website where you will be able to watch our information video (link below).

The school's website is a brilliant source of information for you and your daughter in the coming weeks as it contains many documents that you can read to become more familiar with the school community, including the parents' handbook, an interactive map and some information regarding our uniform.

You will also receive a Transition booklet and key documents which should be signed and returned on your daughter's first day – **Thursday 2nd September**. We would like to invite you to join us for mass at 9.30 am on that day, and we will welcome you at the Main Reception.

We would like to say on behalf of all the staff and students here at The Sacred Heart Language College that we are looking forward to your daughter joining us in September and that with good communication over the coming weeks she will feel prepared to begin the next part of her education with us in September.

We hope you can feel the warmth and commitment that we have for your daughter shining through this letter, words can never replace a smile that you would experience on your visit to our school but I promise you, she is in safe hands and we are excited at the prospect of getting to know her better over the coming years.

With every good wish,

Mrs. J. Flynn & Ms. E. Clep  
Directors of Study for Year 7
