10th September 2021

Dear Parent,

URGENT IMPORTANT UPDATE

From Monday 13th September we will be making changes to the gates that pupils enter and leave school by.

Years 7, 8 & 9 will now enter and leave school via the main entrance. Years 10 and 11 will enter and leave via the Claremont Road entrance.

This change has proven necessary due to the major health and safety concerns due to the dangerous driving and parking on Claremont Road. All families are reminded that they must not drive down Claremont Road due to the risk to the safety of our pupils. If collecting pupils there please arrange with your daughter a designated parking space that she can walk to.

Please remember, for the safety of all pupils:

- parents are not permitted to drive on to the school site;
- parking is not permitted in the car park at the end of the drive. This is private parking and you are at risk of being clamped;
- whilst waiting in cars please ensure that engines are switched off and you are not parked illegally, i.e. blocking any driveway or on zig zag lines.

As we move into the routines of the new school year we would encourage pupils to walk to school where possible.

Thank you for your understanding and co-operation. This unprecedented move is to ensure the safety of all our pupils.

Yours sincerely

Ms R. M. Sorohan
Head of School
