

Deputy Head Girl - Avighna

My name is Avighna, and I am honoured to be serving as Deputy Head Girl for this academic year. This opportunity to support and uplift our vibrant Sacred Heart community is one I embrace wholeheartedly. I am eager to contribute to the continued growth of our College by taking on this role with dedication, compassion, and enthusiasm.

The Sacred Heart has shaped me into the confident, caring individual I am today. I have come to understand that our strength as a College lies not only in our academic excellence but in the meaningful relationships we foster. As Deputy Head Girl, I would aim to strengthen these bonds and encourage open communication, especially amongst younger students. I would also love to propose the introduction of a Debate Club or Model UN Society - platforms that empower young women to grow their public speaking skills, express themselves boldly, and develop leadership qualities in a supportive environment, preparing them for the future.

Leadership, to me, is about service, and I have previously found fulfilment in roles that allow me to support others. Creating a Spanish GCSE presentation with a peer and seeing the impact it had on fellow students was a clear reminder of the power of peer learning and why I enjoy leading others on their path to success. Likewise, being involved in peer mentoring has allowed me to guide younger students through both academic and personal challenges, offering a sense of reassurance and direction.

From contributing to initiatives like the First Give programme to embodying The Sacred Heart's core values in my daily routine, I am ready to serve, lead, and make a meaningful difference as Deputy Head Girl of The Sacred Heart Language College.
