

Deputy Head Girl - Melanie

My name is Melanie, and I'm incredibly proud to serve as your Deputy Head Girl. This is a huge privilege, and I am excited to contribute with my innovation that's make a lasting, positive impact on our College community. I am dedicated to being a positive role model and working alongside with our brilliant team to continue upholding the values; that makes our College such a warm welcoming place.

I am someone with positive thoughts, who cares deeply about the wellbeing and growth of others. I believe every student has the ability to achieve amazing things, and I want to help create an environment where everyone feels supported and inspired to reach their full potential.

Our College's Catholic ethos is at the heart of everything we do. Guided by the principles of Catholic Social Teaching - especially dignity, community, and care for others, I strive to lead with compassion, fairness, and respect. These values remind us that we are called not just to achieve for ourselves, but to serve one another with kindness and love.

In this role I aim to be approachable, reliable, and a source of support for anyone who needs it. Leadership is not about being the best, it's about making everyone else better, and that's the kind of leader I strive to be. This College has played a huge role in shaping who I am today, and I am grateful for the guidance and encouragement I've received along the way. I hope to give back by supporting others in their own journeys, helping them to dream big and achieve even more.
