

Head Girl - Olivia

Hello, my name is Olivia, and I am honoured to be chosen and look forward to serving as Head Girl this academic year.

I am wholeheartedly committed to supporting every member of our College, being an approachable role model and upholding our Catholic values that make our community so insightful and special and to ensure that every student's journey in the College is as happy as it can be.

The Sacred Heart has played a vital role in shaping who I am today, it has challenged me to reach my full potential, and I am endlessly grateful to my peers and all the staff who have created such a supportive and enriching environment within our College.

As head girl, my mission is to encourage every student to embrace every opportunity - both academic and extracurricular - that this College so generously offers. From sports and music to leadership and community service, there are countless ways for each girl to grow, explore her passions, to discover her strengths, but most importantly to take a leap of "faith" and try something new to see where it leads.

The prefect team and I aim to promote a culture of kindness, respect, dignity and unity. Through ongoing charity work we hope to make a meaningful impact both within our College and in our local community, this will continue our College's tradition of service and compassion.

I look forward to the journey ahead and to a year filled with growth, success, and shared ambition. It is a true privilege to represent The Sacred Heart, and I hope to lead with kindness, integrity, and purpose - helping every student feel seen, heard, and empowered.
