

Head of Catholic Life - Coleen

Hello, my name is Coleen, and I have the honour of being Head of Catholic Life for this academic year. I hope to contribute positively to our College by promoting faith, compassion and unity among students and staff. My goal is to deepen our collective faith experience, encourage active participation in our faith activities, and support students in their spiritual journeys.

During my year in this position, I would like to promote a greater sense of community rooted in our shared values, inspire meaningful reflection and prayer and ensure that our Catholic identity continues to thrive within our College. I am committed to fostering a culture of service and justice, where students are inspired to use their gifts to help those in need. I believe that through prayer, reflection and action we can make a real difference to the lives of others. I look forward to working with everyone to build a supportive and faith-filled community throughout this year.
