

Head of Pupil Voice - Oraman

My name is Oraman and I have been chosen to be your Head of Pupil Voice this year. As Head of Pupil Voice, I can guarantee that not only will your concerns be heard, but action will be taken to ensure that those concerns are addressed. I aim for all students to have the resources and confidence they need to thrive. I promise to not only listen to your feedback, but to actively seek out ways to serve this community to help all. I want to encourage students to strive for more opportunities for themselves and for their peers, and to feel comfortable expressing themselves in College.

I'm excited to make a long lasting, positive impact on this College. I will include the Colleges' values, knowledge and virtue into creating a vibrant environment within the College. I aspire to have all students be in solidarity with each other, and I want to promote a friendly and uplifting atmosphere within the College, where everyone expresses compassion and love for one another, as we are all created one and equal.

Overall, what I hope to bring to this College is a mission to not only foster growth and success in studies, but also in terms of personal development of all students. I envision a College where students are constantly striving not only to improve their academic success, but their personal abilities and constantly branching out of their comfort zones and finding comfort in being uncomfortable.
