21st October 2025

Dear Parent/Carer

Introduction of trousers to the College uniform

As part of our ongoing commitment to ensuring that every student at The Sacred Heart Language College feels valued, respected and able to flourish, we are pleased to announce that trousers will be introduced as an option within our College uniform from late November/early December 2025.

This decision follows feedback gathered through student voice activities and our surveys to students, families and staff in the summer term, which highlighted the importance of offering greater choice and inclusivity while maintaining the high standards of presentation and pride that define our College community.

In keeping with our values of dignity, respect and unity, the new College trousers have been carefully selected to ensure they reflect the smart and professional appearance that all members of our community should uphold.

To ensure consistency and quality, the trousers will only be supplied by Stevensons in St. Albans and must be ordered via ParentPay during the following period:

First order window: Wednesday 22nd October – Monday 10th November 2025.

Parents and carers should log in to ParentPay within this timeframe to select the appropriate size and complete their order. Once the order window closes, the College will coordinate a bulk order directly with Stevensons. All trousers will be delivered to the College and distributed to students upon arrival.

If you require support with sizing or access to ParentPay, please contact the College office on 020 8863 9922 or enquiries@tshlc.harrow.sch.uk.

We would like to thank all our students, parents and carers for contributing their views and for continuing to work in partnership with us as we ensure that our uniform reflects both the tradition and values of The Sacred Heart Language College and the diverse needs of our College community.

Yours sincerely

Nicola Walsh
Headteacher
