19<sup>th</sup> December 2025

Dear Parents/Carers,

## Equipment for learning

As we approach the Christmas holidays it is a time to reflect on the successes of the Autumn Term and plan ahead for the New Year. In order for students to be ready for learning they need the correct equipment for learning. The following list of equipment is part of the Sacred Heart Way that requires students to come to College equipped for learning. Please note that having the appropriate equipment is compulsory and must be brought to every lesson.

To ensure all students are prepared, there will be equipment checks starting on Monday, 5th January 2026. We kindly ask for your support in making sure your child has the following items:

- White board pens and rubber
- Black pens (at least 2)
- Green pen (for marking/feedback)
- Pencil, pencil sharpener and eraser
- Ruler (30 cm)
- Highlighters, including yellow
- Clear pencil case
- Exercise books/folders (as required by subjects)
- Reading book (school or personal)
- Glue stick
- Maths Set including compass, compass pencil & protractor
- Scientific Calculator  
*Required model: Casio ClassWiz Scientific Calculator, 192 Digit Display, Black, FX-83GTCW*
- A pair of scissors

It is advisable for your daughter to have spares of the stationery items and all items should be placed in a clear pencil case.

Thank you for your support in ensuring that all our students are ready for learning and can fully participate in all their lessons across the curriculum.

Thank you for your continued support.

Yours sincerely

Mrs K. McGarvey  
Deputy Headteacher and Designated Safeguarding Lead
