23rd April 2026

Dear Parents and Carers,

I am writing to confirm the arrangements for Year 11 students on Thursday 30 April.

All pupils are expected to be in school by 9.00 am and go straight to their tutor bases. They must be wearing **full school uniform**. There should be no make-up, false eyelashes, false nails, signed shirts or hoodies worn on this day as this is a formal occasion.

At 11.20 am, students will be escorted to St Joseph's Catholic Church to attend their Leavers' Mass which will start at 11.30am. All parents and carers are warmly invited to attend the Mass and join us in celebrating and giving thanks for the students' time with us.

Following the conclusion of the Mass, students will be dismissed directly from the church and will not be returning to the college for the remainder of the day.

We are extremely proud of our Year 11 cohort and hope this occasion provides a meaningful and positive conclusion to their journey with us before they begin their GCSE examinations.

Should you have any questions regarding these arrangements, please do not hesitate to contact me via the college office.

Thank you for your continued support.

Yours sincerely,

Ms D Capp
Head of Year 11
