Dear Parent/Carer

I hope this letter finds you well and looking forward to the feast of Pentecost.

Our current Year 11 students have now completed their studies and are busy taking their GCSE exams. Please pray for them. We celebrated with a wonderful Leavers' Mass in St Joseph's Church on Thursday 30th April. This was an uplifting occasion which we hope has encouraged the students to continue to commit to their studies and strive to achieve the best results possible in their exams. We wish them all the very best of luck.

For all our students the Summer term is a busy and productive time, filled with opportunities for learning, growth and celebration. We ask for your continued support in ensuring that students arrive at college ready to learn and in line with our expectations; all are expected to be on time at 8:20 a.m. in form classes, wear full and correct uniform and footwear, as per the website. Make-up, false nails and eyelashes are not permitted. Your daughter will be asked to remove them and may be sent home to correct infringements if necessary. Students are always given the opportunity to correct them first.

Attendance and punctuality remain a key priority to success. Please ensure your daughter arrives promptly to college each day with the correct equipment.

As well as academic work there will be a full range of enrichment activities, trips and events throughout the remainder of this term:

She will also require suitable clothing and weather protection for all eventualities, including sun cream, a hat and a water bottle as well as a packed lunch.
